Q & A followed by Tea Break & dispersal	: 03:15pm - 03:30pm

ABOUT THE COLLEGE

Amritsar College of Engineering & Technology was established in the year 2002, under the aegis of Amritsar International Trust, approved by AICTE and affiliated to PTU, Jalandhar. It is the first self funded non minority engineering college to get NBA Accreditation.

State of the art infrastructure like auditorium, e-classrooms, seminar hall, computer labs and DELNET facility in the library mesmerize students, parents and corporate visitors. Other facilities like 6 Mbps leased line for internet, 650 computers, 15 servers, Wi-Fi campus, and host of other modern amenities makes ACET one of the best in the region.

Dedicated, aptly qualified and well experienced faculty of 150 members passionately take care of 2300 students, due to which college can rightly boast of capturing top positions in the university and a perennial supply of trained professionals to the industry.

ACET provides learning ambience conducive to the needs of the students aspiring for higher values in life.

ABOUT CISCO NETWORKING ACADEMY

Cisco Networking Academy was established under the aegis of Amritsar College of Engineering & Technology in collaboration with CISCO Systems Inc, on 30th September 2008.

Under the Ideal Engineering Plan (IEP) college is already running two international certifications viz SUN Microsystems and Oracle, in addition to Cisco Networking. This certification has greatly motivated the students, interested in the field of networking. Presently this Academy is running CCNA Exploration course which imparts the knowledge of concepts in Networking, Routing Protocols and its practical implementations, Switching and Accessing WAN. Simulators provided are helpful for the students to perform practical applications in the field of Networking. After the completion of this course students are eligible for taking the CCNA Examination, an international certification. Students can drive the advantage of heavy fee discount from this Academy. Students also stand to gain, as this facility is available indoor.

Authorized Pearson Vue Testing centre established by the elite institution provides the additional facility to the students, who can take their final CCNA Exam, in the college premises itself.

REGISTRATION

Registration can be done online or by filling the registration form which is attached with the brochure. For filling online application form visits the website: www.acetamritsar.org. Last date for registration (online/dispatching the form) is 5th June 2010.

Registration Form

1. Name _____
2. Designation _____
3. Department _____
4. Organization/ Institute _____
5. Address _____

6. Mobile No. _____
7. E-Mail ID _____
8. Fax No _____
9. Accommodation Required : Yes No
(If yes provide details below)
Arrival Date and Time: _____
